

UiPath® Automation Excellence Awards

In Association with
THE ECONOMIC TIMES

The UiPath Automation Excellence Awards recognizes and rewards the best RPA-led projects by UiPath's customers in India. Reflective of UiPath's commitment to drive hyper-automation, the Automation Excellence Awards are organized to inspire companies to think beyond the norm and explore ways in which RPA can be used to create impactful innovations.

- The awards were solely focused on finance, accounting and non-finance processes and were evaluated on three main criteria.
- The awards were held on Tuesday, December 3rd at the ITC Gardenia in Bengaluru.
- This was the first customer award ceremony held by UiPath.

- Strategic level impact

Quotes from Manish Bharti, President - India & SAARC, UiPath:

These are some quotes from our president that you can modify and use as you see fit, after including the award and winner details.

“

For organizations to remain adaptable in the face of digital disruption, an automation first mindset is vital. It is heartening to see so many organizations making use of RPA to achieve lasting digital transformation. UiPath would like to congratulate <insert name of company> on winning the <insert category of award> award at the first Automation Excellence Awards 2019 and we hope that they will serve as an inspiration and catalyst to other businesses in India to thrive in this digital age by championing RPA.

”

“

A big thank you to our customers, who really have been the cornerstone of our growth. You have taught us and continue to teach us what the industry wants and challenged us to push our limits to achieve greatness. From convincing the company to start RPA adoption to taking existing efforts to massive scaling, you have done it all, and the award is a testimony to this. A hearty congratulations to <insert name of company> on winning the <insert category of award> award at the first Automation Excellence Awards 2019 and we look forward to seeing your RPA journey grow further.

”

“

Our customers have showcased how RPA can be used to differentiate customer experiences and streamline back office work, involve capability and competency building, inculcate a whole new learning & improvement culture, and to integrate it into the DNA of the company. Congratulations to <insert name of company> on winning the <insert category of award> award at the first Automation Excellence Awards 2019. We are proud to have you as our customer.

”

Quotes from jury members:

“

The quality and the characteristics of the nominations have been astounding. There have been nominations across industries whether manufacturing, BFSI or GCC.

”

Ms. Shalini Warriar

COO & Business Head of Retail,
Federal Bank

“

What we saw when we looked at nominations for the RPA Awards was that there are some very interesting ideas that are out there.

”

Mohit Thukral

Founder and Managing Partner,
Vivtera

“

I think the level of preparation done before was quite a lot, and so therefore the way things were presented were very clear. It was evident as to what parameters we were judging on. Overall, it was a pleasant experience.

”

Jaspreet Bindra

Founder,
Digital Matters

“

The selections were mostly made on innovative ideas and the leveraging of opportunities that was done. It was a tough choice but then we made it.

”

Subha Swaminathan

Senior Director,
Finance Controllershship Operations,
Asia Pacific, HP Inc.
